### WHAT IS THE 12 EMOTIONAL INTELLIGENCE COMPETENCIES PROFILE™?

Emotional intelligence (EI) is one of the most desired skill sets required to be successful, employable & competitive in a volatile, uncertain, complex & ambiguous (VUCA) world. The **12 Emotional Intelligence Competencies Profile™** assessment measures 12 emotional intelligence skills of primary importance to optimize performance, develop talent & improve wellness.

### WHAT IS THE EI PRACTITIONER TRAINING ABOUT?

Neuro-Link's Emotional Intelligence Practitioner Training is a self-paced, online course for people development professionals to learn how to use the 12 Emotional Intelligence Competencies Profile™ & to facilitate the High Achiever EI Program to improve the performance of their clients. What makes our EI practitioner training unique & powerful is that a neuroscience approach is followed to develop emotional intelligence. Our Neuro Agility Profile™ serves as the point of departure for developing each emotional intelligence skill in this program
